

Where is the chemists?	
Where is the supermarket?	
Where is the post office?	
Where is the bakers?	
Where is the college?	
Where is the library?	

	P O
You can buy bread on North Street.	
You can buy medicine in Bristol Road.	
You can borrow books in South Street.	
You can buy milk in Park Road	
You can go to college in North Street.	
You can post parcels on the High Street.	
	Left or right?
You are at the post office and you want to go to the library. You go along the High Street and turn into South Street.	
You are at the college and you want to go to the supermarket. You go along the High Street and turn into Park Road.	
You are at the library and you want to go to the bakers. You go along South Street until you get to the High Street and then you turn
